Notice to Hungry People

You can now get all the **Uneeda Biscuit** you can eat. The supply is unlimited. Our facilities for producing **Uneeda Biscuit** were temporarily overtaken. It was beyond the widest stretch of business calculation that New York would demand nearly a half million more packages than the combined efforts of the greatest bakeries in the country could supply. We knew

Uneeda Biscuit

were good beyond anything you expected. We knew the price would be a revelation. We knew you would appreciate the **5c.** moisture proof box that keeps them fresh, crisp and dainty. But we did not know how hungry you were for something really good. Now that we know, we will see that your appetite is satisfied, no matter what proportions it assumes.
